(All Ireland BEST Green Business 2016 ** BEST NI Tourist Board Eco Tourism 2015 Silver Award Small Local food Business ALL Ireland 2015)**

Hen party activities are tailored to suit each hen and her flock. Teresa (the farmer) will give loads of attention to detail to help ensure YOU give YOUR hen the best possible send-off.

Teresa, Hugh (hubby) and family have been farming here since 1989. We added our gorgeous eco barn to the farm in 2008 creating a magic space for groups who seek a private venue for very special occasions. See barn pictured right.
